This action is responsive to applicant's amendment/remarks filed 09/26/05.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 1, line 15, change "about 0 to 50 weight percent" to --0 to about 50 weight percent--.

Cancel claims 31 and 39.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Stephen Reiter on 12/12/05.

The following is an examiner's statement of reasons for allowance:

The instant claims are allowed for the reasons set forth by applicant in the response filed 09/26/05. Specifically, the examiner agrees that copending S.N. 10/342,143 and the prior art of record do not disclose or suggest the instantly recited conductive ink compositions containing about 1-2 wt% resin system containing maleimide, nadimide and/or itaconimide monomer

with the specified comonomer(s) and catalyst, each within specific ratios.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Kopec whose telephone number is (571) 272-1319. The examiner can normally be reached on Monday - Friday from 9:30 AM to 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dr. Yogendra Gupta can be reached on (571) 272-1316. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
